Westerly No. 1, tonight, is a spike in the chances of the Westerly team winning the pennant, and put the Norwich duckpin five comfortably in the lead.

Captain Harris of the Warriors was in winning form Saturday night at the Rose alleys and took the daily prize for high single with a string of 118. He also won the high three string total for the week. From the start the Lorraines show-ed a fine bit of team work and the Norwich backs and goal Morlarty were ward of Westerly was playing a strong game and Ferguson got a bad kick while dodging lim, causing the game to stop a few minutes until he was able to resume, limping badly. From a bye-klek, the Norwich right wing gained possession and bore down on Gorder, Whewell, was bowled over by Finlayson and a free awarded to Westerly. Again the dark blues put on the pressure and brought the ball by clever combination into dangerous proximity to Moriarty, where Whewell, gaining possession, sent in an elegant shot which struck the upright and went through, scoring the first goal for the Lorraines. A short incursion by the whites was checked and fast team work on the Westerly's part again broke down the Nozwich defence and Kenyon added the finlshing touch from close in.

From the center the whites got busy and following a neat bit of individued, work on the part of Finlayson, Brown booked one for goal, which Gordon ran out to clear, but was prevented by Ferguson, the ball going through. No further scoring took place and at half time the table read, Westerly 2 woals. Norwich I goal.

The race left no doubt about the superiority of the Pennsylvania eight. Both Julian Curtiss, the chairman of Yale's advisory rowing committee, and Coach John Kennedy declared emphatically that the better crew had won.
